PROFESSIONAL SUMMARY

Results-driven content strategist and copywriter with hands-on experience turning client briefs into high-performing copy and content across SEO, social, and campaign formats. Known for sharp brand voice adaptation, editorial precision, and audience-first storytelling. Equally comfortable owning a content calendar solo or collaborating across design and strategy teams in fast-moving, brief-heavy environments.

WORK EXPERIENCE

Content Writing Intern - Cube

Feb 2025 – Present

- Produced **SEO-optimised long-form articles (1,500–2,500 words)** for lifestyle, food, and wellness brands- 6 pieces ranked on Google Page 1 within 60 days of publication.
- Drove a **22% average increase in organic session time** across client content by tightening on-page structure, internal linking, and headline strategy.
- Managed concurrent briefs across **4 client accounts simultaneously**, consistently delivering zero-revision copy through rigorous self-editing and tone calibration.

Copywriter & Content Creator - Freelance

Ongoing

- Developed **3 end-to-end spec campaigns** for established Indian consumer brands (Dot & Key, Zomato, Nykaa), spanning strategic briefs, concept decks, and copy across **social, email, and OOH formats**.
- Demonstrated range across campaign types, a self-love brand narrative, a Teachers' Day topical, and a retention email series, adapting tone, format, and strategy to each brief from scratch.

LEADERSHIP & EXTRACURRICULAR

Marketing Head - E-Cell, SGTB Khalsa College

2025-26

- Owned full campaign strategy and communications for the college's flagship entrepreneurship event: drove **50K+ content views** and managed a **200+ attendee** live event end-to-end.
- Tracked and reported **weekly social media performance metrics**, iterating content strategy in real time to sustain audience growth across platforms.
- Monitored algorithm and platform-policy changes proactively, pivoting posting cadence and format to maintain organic reach.

Content & PR Team - TEDxSGTBKC

2024

- Authored speaker bios, event scripts, and post-event editorial content**; ensured all external communications were on-brand with TEDx global standards for a **300+ person event**.
- Proofread and signed off on all branding assets before release, **coordinating across speakers, sponsors, and partners** under tight deadlines.
- Worked cross-functionally with content, logistics, and design teams to ensure a unified brand experience from pre-event communications to post-event wrap-up.
